To complete this section, you need to provide us with your personal details:

E-mail address

Please provide a valid e-mail address that you check on a regular basis, as we'll be using this address to communicate with you throughout your studies.

Occupation

Refers to your current job (if you are employed). If you are unemployed, you can simply write "unemployed" or "not applicable".

Delivery address

Refers to the address at which you want your study material to be delivered. The reason why we prefer you to select your work address is so that there will always be someone available to receive your study material, even if you are not there when the courier arrives.
